MISSION

The MAA strives to provide a **common voice** for advancement of **emergency medical services** within Missouri.

VISION

The MAA works to promote cooperation of **emergency medical services** in Missouri and serves as a **common voice** to protect the integrity and for the betterment of EMS within the state while promoting the general **health and safety** of our population.

VALUES

LEADERSHIP We will dedicate our efforts to always building this association with strong, well informed and capable leaders.

EDUCATION We will offer opportunities for enhancement and growth of agencies and providers at all levels in and outside of our association.

ACTIVISM We will promote education and avenues for the involvement of all agencies within their legislative bodies.

DEVELOPMENT We will provide opportunities for leaders within our member agencies to gain knowledge and resources to advance their agencies.

EMPOWERMENT We will strive to build the confidence and self-determination of our agencies to serve with knowledge and integrity within their communities.

REPRESENTATION We will serve as a strong voice within our state legislation to better the laws and regulations of our industry.

SAFETY We will promote safety and best practices of our industry at all times.
